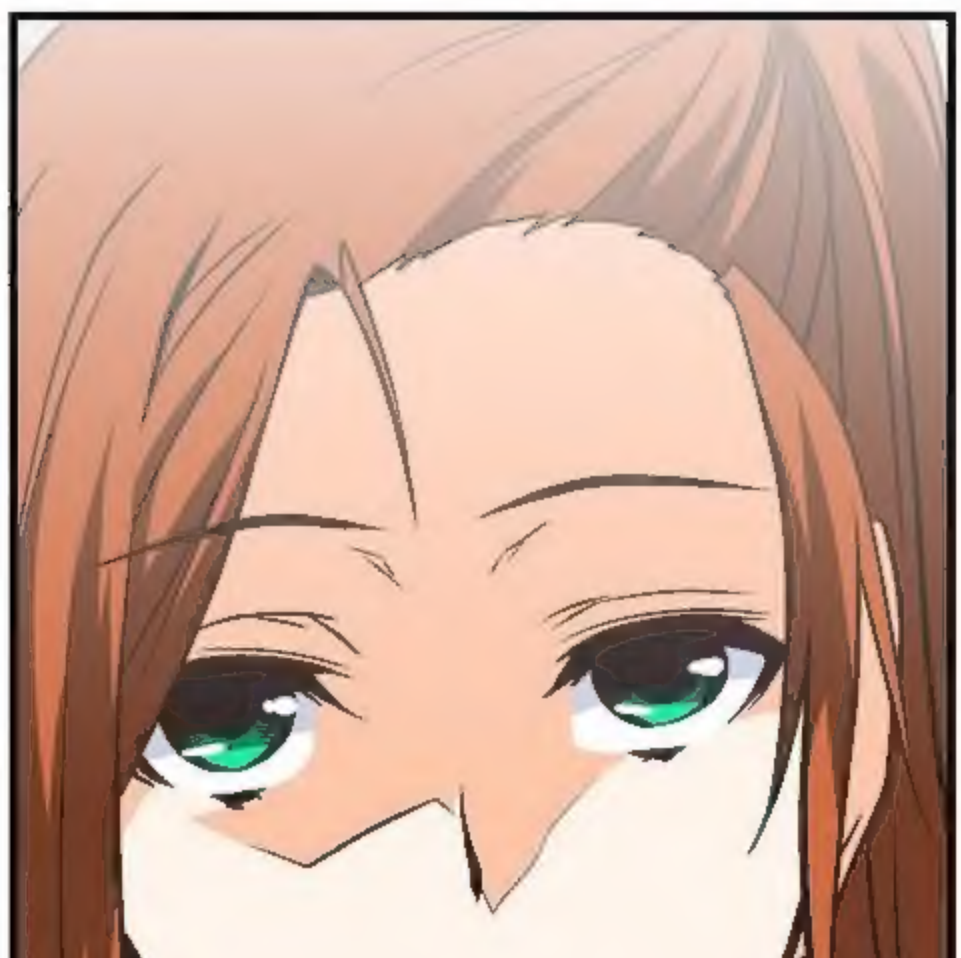
THAT POSE AND THAT VIBE... WHAT ARE THEY DOING?

I guess I didn't get a chance to say goodbye last night. Hahaha..

Have you eaten yet? We just got done eating not too long ago.



YOMANGA.CO

We're on our way to the movies right now. I would've called you if I knew you were awake this early~
...!
Should we keep meeting each other?
Oppa~make me some ramen
AH-JOO..DIDN'T YOU SAY WE SHOULD TAKE THINGS MORE SERIOUSLY?
I know it's not my place to say But for her to act like this...

You're really something else.

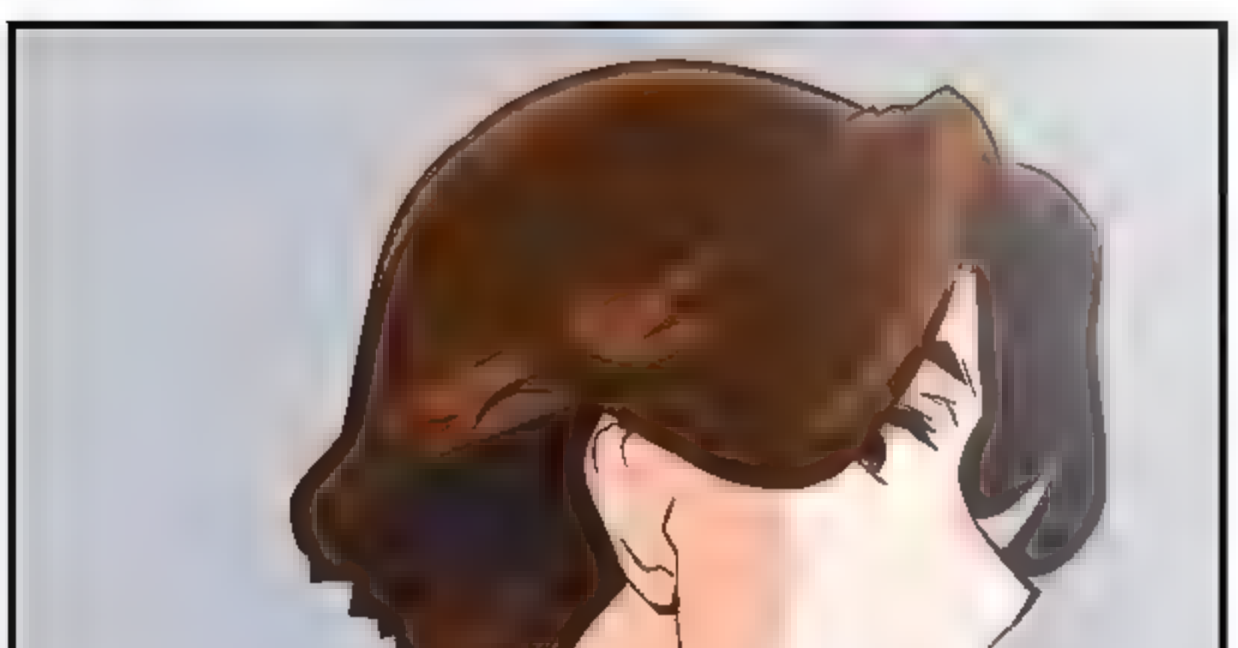
I took the time to take all of your clothes and luggage to that place and you just left me there hanging...

It sure was awkward waking up alone~

...

YOMANCA.CO

Nothing happened...right?



YOMANGA.CO

Your boyfriend. I think he has someone?

!

I don't know if he called you by accident but he was laughing and chatting with another girl. At that time of night..

I wasn't too faithful myself so it just came to me right away.

Y, you lie...

YOMANGA.CO

You think I'm lying?

!!

Honestly you couldn't have possibly not noticed anything.

That your boyfriend is not really into you.

YOMANGA.CO

That's how you ended up leaning on me last night...

And how we... ended up at that place.

YOMANGA.CO

I don't think you're easy or anything.

People like us who are distant from the society can't help but to feel lonely.

We need to support one another in times like this.
...!

YOMANGA.CO

Don't you think I'm better than your boyfriend in that aspect?

...!
